For circulation to all.

Sir/Madam,

Sub: II Professional MBBS Degree (R&S) Examinations, February 2020 –
Conduct of Practical Examinations-reg.

As per the prevailing circumstances, KUHS has taken a stand regarding the practical & oral sections of II MBBS (R&S) Examination, February 2020. When the duty of the current (as of 17.03.2020) team of examiners are getting over, from that point onwards, the process of examination will stand suspended till further orders. Even if there is a partial change in the team of examiners, the exam process will get suspended.

The details of completion of examination will be intimated later. The practical convenors are requested to inform the next team promptly.

yours faithfully
